RECIPE

TEMPURA TENDON TENYA
ASAKUSA TOKYO

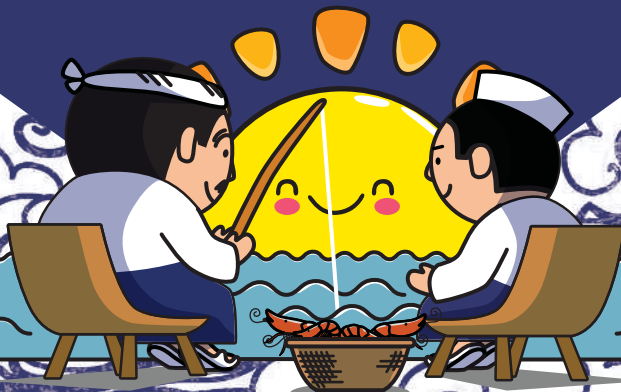

A TENYA CHRONICLE

Japan's No.1 Tendon Chain Restaurant is **Tempura Tendon Tenya** or popularly known as **TENYA**. The chain has its roots in the historical and cultural district of Asakusa in Tokyo.

In 1989, Tenya opened its first store at Yaesu Shopping Mall located in Tokyo Station. The founder, Yoshio Iwashita adopted and applied the fundamentals associated with operating a fast and casual dining chain store concept.

Tenya Singapore endeavours to bring the best dining experience to our customers through the offering of sustainably sourced premium quality ingredients and impeccable service. We exist to bring Japan's food culture to a whole new standard; and where the highest standards are not available, we shall create them!

MEN

麵

Noodles

Difference between Soba & Udon :
Soba is a type of noodles made from buckwheat flour, or a combination of buckwheat and wheat flour. *Udon* is made of wheat flour, water and salt; and is usually served in soup. Common udon is thick, at Tenya we serve the thin and exclusive variation called Inaniwa Udon.

Desserts make you happier...no, really!

Have you ever taken a bite of your favorite dessert and felt instantly transported to a higher level of happiness? That feeling is real. Taking high percentage of carbohydrates help the brain and body produce chemicals (such as serotonin) that contribute to overall emotional well-being.
