## A TENYA CHRONICLE

Japan's No.1 Tendon Chain Restaurant is **Tempura Tendon Tenya** or popularly known as **TENYA**. The chain has its roots in the historical and cultural district of Asakusa in Tokyo.

In 1989, Tenya opened its first store at Yaesu Shopping Mall located in Tokyo Station. The founder, Yoshio Iwashita adopted and applied the fundamentals associated with operating a fast and casual dining chain store concept.

Tenya Singapore endeavours to bring the best dining experience to our customers through the offering of sustainably sourced premium quality ingredients and impeccable service. We exist to bring Japan's food culture to a whole new standard; and where the highest standards are not available, we shall create them!
